and will have the farm house, barn, to their green timber at the head of Silver Creek. The Silverton Lumber company has an excellent body of timber which the report says will be tapped by building this stretch of road. It is understood that the railroad will leave the Corvallis & Eastern somewhere in the vicinity of Lyons on the Santiam and will extend five miles into the company's timber holdings. In order that this road may be completed it will be necessary to bridge the Santiam. The right of way for the road has been in the possession of the company for more than a year.

Whether the building of this road will mean when it is completed that the Silverton Lumber company will ship the logs around to this point or transfer their mill to some point more accessible to their timber holdings we are unable to learn. Some splendid sites along water flows are easily obtained along the Santiam in the immediate vicinity of their timber holdings—Silverton Appeal.
